# Ross Orlando's Tahoe Spotlight

**Harveys Outdoor Concert Series** was once again a big success for all of Tahoe to enjoy. It was fun to have the new super-group **Chickenfoot** perform. They featured **Sammy Hagar** on vocals, **Michael Anthony** from Van Halen on bass, **Joe Satriani** on lead guitar, and **Chad Smith** from Red Hot Chili Peppers on drums. They rocked out as they played songs from their new CD that was produced by **Andy Johns**, who has also produced for Led Zeppelin and the Stones. These rockers were having fun on stage and created a lot of excitement for the packed crowd filled with smiles. Their encore was Sammy's first hit song, "Bad Motor Scooter" with Montrose and "My Generation" by The Who. I hope we see more cool musicians put together their talents to make a CD and tour – people love it!

Country star **Toby Keith** brought his hit songs and love for America to **Harveys** for his fans to enjoy. From "Shoulda Been a Cowboy" to "How Do You Like Me Now?" and "I Love this Bar," Keith has a lot of big hits and has won many country awards. I

like when he says to raise your drinks to toast our troops fighting to keep our freedom, firemen, police, teachers, and others – it's really impressive for everyone.

Once again, thank you **Harveys** for helping to make Lake Tahoe the biggest entertainment town in the world!

**Harrah's** had **Robert Randolph and The Family Band**. I love these guys! What a funky sound they create, like a modern day Sly and the Family Stone, who's had a big influence on Randolph, along with Santana, Clapton, Dave Matthews, Hendrix, and Stevie Wonder – they groove together great! Robert plays the steel pedal and guitar, adding lots of smiles and great vocals. Their hit song "Ain't Nothin' Wrong with That" gets the audience jumpin'. They also played popular songs that everyone knew, as just instrumentals with their own cool style.

**Robert Cray Band**, who also played **Harrah's**, showed us his amazing lead guitar playing.

One of Country music's biggest influences, **Merle Haggard**, who's

won so many awards it's unreal, sounded great at 72 in **Harrah's Showroom**. He sang "Okie from Muskogee," his classic, and many others with a band that's still old school. Haggard has over 40 #1 songs, and still has a nice charm on stage. I liked his song "Love is Always Pretty When It's New," as he joked about his wife who said, "What's that song mean?"

Coming next to **Harrah's** is **Kenny Wayne Shepherd** Oct. 10. Talk about somebody who can rip it up on lead guitar – wow! His band is also very hot.

Legendary rocker, **Alice Cooper**, is Oct. 16. This will be a big party with all his classics, and what an incredible performer! South Lake Tahoe native **Chuck Garric** plays in Alice Cooper's band and will donate his bass to the **Hard Rock in Tahoe** on Oct. 16 when they perform here. This is a fun party show to attend!

**Frank Sinatra, Jr.** is Oct. 24. **Queensryche** is Nov. 7. **Brian Wilson** is Dec. 5.

Lots of fun Halloween parties are coming up: the **31st Annual Freakers**

**Ball at MontBleu**, **VEX Nightclub at Harrah's**, **Cabo Wabo at Harveys**, **Whiskey Dick's**, **Bar 24 at Bill's**, **Rockwater Murphy's Irish Pub**, **Brothers Bar**, **Mo's Place**. Always a freakin' good time for all. Wear black and go out if you don't want to dress up. Our classic Halloween Pictorial issue will be out in November.

**The Kiwanis Club of Tahoe Sierra** had their SeptOberfest at **MontBleu** to raise money for local children.

**MontBleu** had their **34th Annual San Francisco Stand-Up Comedy Competition**. Very funny – and there's some new great talent out there.

**Horizon** has **Carnival Cabaret** with talented men impersonating Cher, Dolly, Celine, Barbra, Bette, Marilyn, Liza, and Reba. The amazing James "Gypsy" Haake hosts the show with humor that's like Don Rickles – it's so much fun! The music is cool – check it out.

**The Improv at Harveys**, with new comics each week and host **Howie Nave**, is always a hit.

And remember, live your life now. Have fun – you're in Tahoe!

## Jeez, ya Think This is all About Me!!!

STPUD is as STPUD does. As most of the people who I interact with already know, I am running for Seat #2 on the South Tahoe Public Utility District in the upcoming November election. Getting involved with the community is one more way for someone to give back to an area where we have so many friends, family and a sense of community which is sorely lacking elsewhere "Off The Hill" I was surprised when I was contacted by the Placerville elections folks as to what I put down as my occupation for the ballot, Contractor/Skibum. I had to explain to them that I actually am a Skibum. My company is called Skibumfamily Inc, all my ski passes say Skibum Curtzwiler, I take off the winter and Ski most every day, my license plate says Skibum, and I have been writing this column for over 12 years now. Well that flew as far as a rock against a wall with them and now you will see only Contractor. Reminds me of the old Greg Stump movies with "Rasta Stevie" who tried to get on the city

council of Telluride and was voted down, maybe they did me a favor. It has been brought out by others that I have no qualifications or experience to be on the board which is true. I have never had the experience of working in the sewers, only sleeping in the gutters a few times as we all have at one time or another back in the day. However, I do feel I have excellent qualifications as far as running a business and managerial skills. When I started at Carlos Murphy's I didn't know anything about bartending but I learned. I eventually became the head bartender and manager and I worked there for 19 years. When I joined the military at age 30 I had no idea what to do but I learned. I recently retired with over 20 years of service as a Major in the Nevada Army National Guard. Starting my own business was also a shock with no clue there either but I learned. I now have owned my company, K & K Services, for over 27 years and consider it a success. Marriage? Family? Boy did I start that one without a clue but

I learned. I just celebrated my 28th anniversary with my wife, we also have 3 children. See a pattern here? Whatever I start I not only finish but learn and continue to educate myself along the way. I do not have all the answers to all the questions that will be asked of me about what I would do or how I will handle the position of Director if elected but I do know that if elected, I will continue my pattern of starting something without a clue, but I will learn and I will be successful which in turn will make the ratepayers successful. Jeez, ya think this is all about me or what. Anyway, remember to get out and vote in November and yes I would like your vote, but just the fact that you are voting is good enough.

Sign of the Month: Vote for Kenneth J. Curtzwiler. Director Seat #2 South Tahoe Public Utility District.

*As Usual:*

Of course it tastes better than other beers. We've had over 600 years to get the recipe right. Our esteemed brewery has been producing beer in Leuven since 1366. Which means we've been around a bit longer than most. Mind you, over the years our beer has witnessed the odd change or two. For instance, our customers no longer drink it to ward off the plague, as they used to in medieval times. However, one thing has stayed the same after all these years. Stella Artois is still painstakingly brewed in a time-honored tradition with the choicest ingredients. Which is why our customers have kept coming back for more, even after 600 years.

**Perfection has its price.**

Always enjoy responsibly. [stellaartois.com](http://stellaartois.com)

# COMEDY FROM THE

Howie Nave

Yeah it's cold and with any luck that El Nino thing will bring a bunch of snow to the basin. Sure hope so we're way overdue for getting the white and what's this? Snow already starting this past weekend? Fall season my ass? When are the resorts technically supposed to open anyway? November? Might have to reschedule woo hoo! Did somebody start chanting early? Looks as if Mother Nature was having her own Snow Party. Move over Al Gore maybe the polar bears should relocate here? Right now black bears are scratching their heads (and backs) thinking to themselves, "Already? There's still salmon to be had!" Hope it continues...

Man talk about great timing. Being the middle slot up here is still considered sweet because 95% of all the acts that feature here headline in other rooms across the country. But hey other places don't have Tahoe. **Tom Simmons** by the way just won the **34th annual San Francisco International Stand-Up Comedy Competition**. WOW. What timing indeed! That makes this week really a good one appearing with headliner **Nick Griffin**. I say this because often times I am quoted as saying, Wow this week is definitely one week to see."

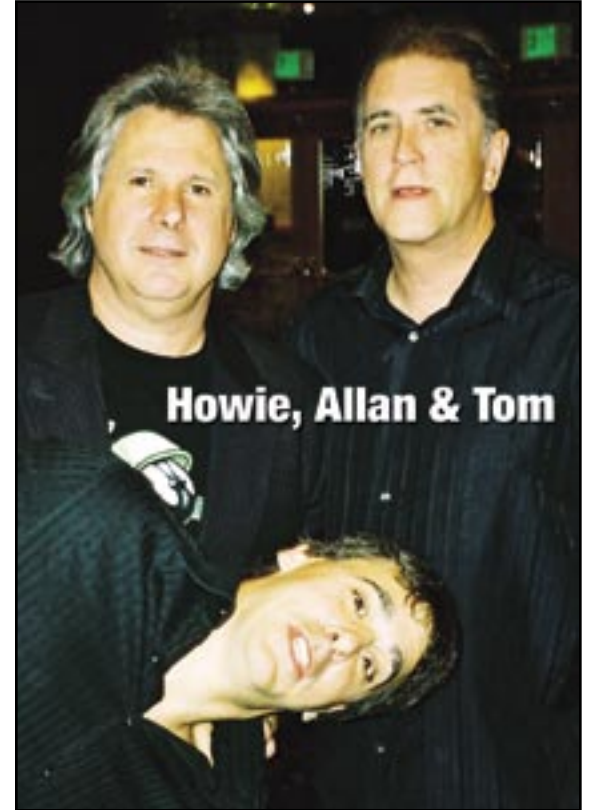

But when you have not just two great headliners but two very different points of view than yeah- this week is definitely one week to see. Griffin has been on Letterman already four times since relocating to New York from southern California and I doubt he's going to return anytime soon. Fortunately for us he is in the headlining status this week because for years he was the middle act up here. He started way back at the age of nineteen in Kansas City. After peddling his jokes around the Midwest for a few years, Nick shuffled off to New York City where he did in fact get mugged. After getting what he could out of the East coast (and making some \$) Nick moved to Los Angeles where he excelled not just as a comic but also as a writer. He was a staff writer for on the Keenen Ivory Wayans Show in 1996 and later became the head writer for the Bobby Slayton & Sue Murphy morning radio show. His relationship with Slayton (known as 'The Pit-bull of Comedy') still continues today and it was Slayton who

was able to open a lot of doors for Nick on the west coast as Bobby would take Nick on the road to open for him. As good as he is Nick always thinks he isn't quite up to par but nothing could be further from the truth. Oh sure he still feels insecure about dating and in fact at one time when he used to do some Internet dating when asked how far of a radius was he willing to search for someone would type in 7 blocks. Seven blocks? Nick told me that way if the date didn't work out he didn't have too far to walk if he had to get home. He did have a short fling with British actress Lucy Davis ("Shaun of the Dead" and BBC's "The Office" with Ricky Gervais) back in 2006 (in London for an adaptation of Lord Byron's "The Wounded Heart") but after that project finished Lucy decided it was best to move on. His first major TV late night appearance was on "The Late Show with Craig Kilborn" and can be seen regularly on Comedy Central's "Premium Blend." When Nick decided it was time to move back to New York he promptly landed a spot on "The Late Show with David Letterman" and has since been on there four times. Nick is also a brilliant screen writer having written and/or co-authoring numerous scripts with fellow comedian Mike Ferrucci. As mentioned earlier Tom Simmons has been cleaning up on both the comedy festival and comedy competition circuit. He was a finalist in the 2007 Boston Comedy Festival wreaked havoc in Seattle and this year is giving San Fran a run for its money. Tom has proven himself a solid commodity indeed. Nick Griffin and Tom Simmons is in the same week? You heard me and that is happening through the 11th of this new month.

**Allan Havey** can currently be seen in the hit Matt Damon film, "The Informant!" which stars some ten comedians including The Smothers Brothers, Tom Papa, Bob Zany, Jimmy Brogan and Tom Wilson to name a few. Allan's great in movies and television ("Curb Your Enthusiasm" was one of my favorites seeing him in) but is very home on stage and very consistently a crack up. Over the years he has appeared on television acting on Seinfeld, The Louie Show and Curb Your Enthusiasm on HBO. I enjoyed the short-lived, "Free Ride" on FOX because it utilized much of his improvisational skills. His quick thinking abilities is what landed him on Ashton Kutcher's reality-based TV show, "Punk'd." He is so convincing it's tough to tell when he's being sincere or not. On the big screen he has appeared in the movies "Internal Affairs" with Richard Gere, "Checking Out" with Jeff Daniels, "Rounders" with Matt Damon, "Wild Things Part 2: The Glades" with Isaiah Washington and most recently in "Hancock" starring Will

Smith. On the late night talk show circuit Havey has been a regular on "The Late Show with David Letterman," "Late Night With Conan O'Brien" and cable's Comedy Central and even appeared on Comic Relief. He has taken part in the Just For Laughs Comedy Festival in Montreal on several occasions as well as the Kilkenny Comedy Festival, Aspen Comedy Festival and The New York Comedy Festival. He has made tours of Australia and Europe and continues to be one of the best comedians working today. With all his credits Allan says that entertaining our troops overseas has been the most rewarding. Allan has two CDs out that will be available after his comedy shows. Catch him with **Marc Price** October 14th through the 18th.

**Mark Pitta** has a sweet gig and he only has to show up once a week! Yeah, you heard me. He has been making Tuesday nights in Mill Valley the place to be. The Throckmorton Theatre is one of the coolest places to perform at and the audience mentality out there is very high. It doesn't hurt either that regulars on Tuesday nights include veteran comedians like Dana Carvey, Robin Williams and Richard Lewis who just happen to drop by every now and then. As far as Pitta goes he has been headlining clubs since the 80s when the San Francisco comedy scene was at its apex (or zenith I always confuse the big words). "It was the best time to want to be a comedian," says Mark. "The clubs created a cooperative nurturing environment almost like a baseball farm system. It got us all ready for Los Angeles when it was time to jump into that scene." Mark's career really took off when he did hit LA fulfilling his dream of appearing on The Tonight Show with Johnny Carson then subsequent appearances with Jay Leno. He landed the hosting slot on Totally Hidden Video for the FOX network then

Howie, Allan & Tom

hosted Friday Night Videos for NBC. Mark wrote and starred in his own sitcom for NBC but the pilot wasn't chosen for the fall season. Head of NBC, Warren Littlefield picked a show called "Union Square" instead. It lasted three episodes. Back to the bay area where for five years Mark brought his unique comic expertise to the man on street format and enjoyed the original approach to interviewing newsmakers, movie stars and everyday folk on Fox's KTVU channel 2. A favorite on the comedy club; college; and corporate circuit, Mark has also opened for Chris Issak, Celene Dion, Vanessa Williams, Paul Anka, Kenny Rogers, Olivia Newton John, Smokey Robinson, Big Bad Voodoo Daddy and Rick Springfield. What a week too because the always funny **Frazer Smith** will be on the bill as well. That's October 21st through the 25th.

## Fly Fishing

**Victor Babbit**

The weather is here and the fishing should continue to improve! October can be one of the best months of the year depending on if we get major weather or if it stays mild. Lake fishing is the one type of fishing that needs the cool weather to turn on. Once the lakes flop (surface temperatures become colder than the bottom and the lake turns over), the fishing will improve. The lakes in particular that need to flop are Heenan, Red Lake and Indian Creek Reservoir. The flows on our local rivers are a bit on the low side but still plenty fishable. The fish know it's time to eat, and are doing so, getting ready for the winter.

Most fly anglers don't like fishing the lakes but lake fishing is one of my favorites this time of the

year! Sight casting to cruising fish along the shoreline can't be beat and can be quite successful and similar to fishing a stream. Create a pathway in your mind that includes about 50 feet out from the shoreline and don't worry about the rest. Most fish will be within this range and cruising looking for Terrestrials or Bait fish. Streamers will work but dry/dropper fishing is my favorite, if the fish won't eat the dry they usually will eat the dropper! Caples Lake is notorious for sight fishing to cruisers and has already begun. Some of the areas worth looking at are the back side between Woods Creek and Emigrant Creek as well as the Dam area and the Spillway area. Midday fishing tends to be the best because of the sun angle and the ability to sight the fish. I have seen fish over 10 pounds cruising the shore this year and plenty of fish in the 2-6 pound range as well. A few flies to try are Big Hopper patterns, Stimulators, Ants, Beetles and things with rubber legs for the surface! Dropper flies to try are Pheasant Tail Nymphs, Zebra Midges, Hares Ear Nymphs and San Juan Worms. If you want to imitate

the bait fish, try fishing a Zonker, White Crystal Bugger or a Maroon Leech pattern.

Tricos and October Caddis are in full swing as well as Baetis, a few Stones and a ton of Midges on the East Carson River. Look for some great action this Fall for those that don't mind fishing for very large stocked trout that eat flies and fight like there is no tomorrow! Fish the sections of the river above Hangman's all the way up to the Highway 4 Bridge. The crowds should not be bad and the fish should be eating well. For those of you that don't mind a bit of hiking and like to get away from the roadside fisheries, take a hike down below Hangman's and experience the Wild Trout section! Pick your poison as far as the hike goes, knowing that the further down you travel the better the fishing will get and the lighter the crowds will be. The water is low so be stealthy and light on the cast for best results! The West Carson still has quite a few fish as well even though the flows are really low. Fish the pocket water below Sorenson's Resort or any of the sections in the canyon all the way down to

the Woodfords area. For those of you that like the challenge fish the meadow but be extra cautious and stay way back from the banks or the fish will be spooked! With the flows as low as they are and the water as clear as it is, these fish really are PHD's!

These are just a few of the great fishing opportunities that are available in about a 2-3 hour circle of South Lake Tahoe! If you would like further information on these fisheries or any others in our area, stop by the shop for up to date reports and a wonderful selection of flies and equipment. If you have never been out with one of our guides, now is a great time to get that experience on any of these waters! The guides will teach you all of the techniques needed to have a fantastic day on the water and show you a few extra fishing spots as well. We are located at 2705 Lake Tahoe Blvd next to Midas Mufflers in the South Shore of Lake Tahoe. Or you can reach us by phone at 530-541-8208! Have a great day of fishing and thanks for reading!

# Another Late Night with LateNiteBilly

The sun has gone down and the line to get in the club is wrapped around the building. The club is already packed with beautiful ladies and the fellas that are waiting to see what these ladies are going to get into. It's going to be a good night! From down the street comes a very distinct tour bus wrapped in logos. As it parks front and center, the film crew rolls out and LateNiteBilly follows with microphone in hand ready to let the crowd know that Girls Gone Wild is in the house and we are searching for the hottest Parties and Ladies in America!

I have always said that my job producing concerts is fun and exciting and the new opportunities presented to me always keep it fresh and exciting. It was a great Summer of Concerts in Tahoe and just to recap, I brought you the likes of Atmosphere, Afroman, Collie Buddz, Zion-I, No Use For A Name, Blue Turtle Seduction, Saddle Tramps, Hellbound Glory, Eek-A-Mouse, Blackalicious, DJ Mike Relm, Supersuckers, The Iron Maidens, Grouch and Eligh, The Original Wailers, Lou Dog Trio, Foamalicious - Tahoe's Only Foam Party, Mechanical Bull Riding Parties, Blacklight Party, Andre Nickatina and Mickey Avalon. Wow, I didn't realize how many shows we really did get in the last four months till I wrote that out!

Well, Its now Fall and we all know the town slows down till the snow drops then we are all back in action. This year it's going to be a little bit different for me. I have accepted a new job that will put me on the road for the most part of the year and I regret to say that you won't be seeing as many shows coming through town with the Late-Nite Productions logo on them. I am not leaving in entirety but am exploring new opportunities that my 15+ years with Late-Nite Productions has afforded me. I have been out on National Tours with Hieroglyphics, Del tha Funky Homosapien and Israel Vibration. I have lived in Cancun, Mexico with LA Ski and Sun for Spring Break. I worked over at the World Famous Bunnyranch booking the entertainment for Dennis Hoff's nightclub NV50. I was featured in the Hieroglyphics "Full Circle" DVD. I appeared in Grouch and Eligh's music video for the song "All-In". And the list of Artists that I have worked with and

become good personal friends with is endless: Tommy Lee, Mickey Avalon, Black Eyed Peas, Living Legends, Mixmaster Mike, Sublime, E-40, D.R.I., Agent Orange, Reverend Horton Heat, Too Short, The Pharcyde, Pato Banton, Swollen Members, A Tribe Called Quest, and the list goes on and on....

This is just a new chapter in my career. I don't expect it to last a lifetime but you can best believe I want to see where it leads. And who could blame me?! Yes, risqué and provocative, but anyone that knows me; so is my lifestyle but I also take my job VERY serious. I have been hired as Associate Producer and Tour Manager for the Girls Gone Wild Tour Bus and Mantra Films. I will be in the Girls Gone Wild Tour Bus criss-crossing the United States looking for the craziest clubs, hottest parties, and wildest HOTTEST girls around! If you want to connect with me while I'm out on the road and see what me and the GGW Crew are up to, you can find me on MySpace.com/LateNiteBilly, Facebook.com/LateNiteBilly or you can follow me at Twitter.com/LateNiteBilly and I will be sending out daily updates!

There are far too many people that I have to thank for supporting what I do and I'm sure that I will forget a few, but here is my best effort in no particular order: Robbie & Renegade Productions, Tim & Push Fitness, Frank & Vex Nightclub, Mo & Mo's Place, Pradip & Super 8 Motel, Goo & the staff @ Whiskey Dicks Saloon, Slayer & Tahoe Derby Dames, Brandi / Peter & RSN, Rik & Tahoe Hemp Co, Staff @ "Y" Starbucks, John / Chris & Mad About Music, Mike Leeper & the staff @ Bar 24, John Rice & Sierra @ Tahoe, Dave Davis, Ross / Tony @ Lake Tahoe Entertainer Magazine, Mick @ Signs of Tahoe, Staples Copy Center Management & Staff, Brandon / Andrew @ SouthLakeTahoe.com, Mike Frye @ LTVA, Tony @ The Pizzeria, Natalie @ Hard Rock Cafe, Katie @ Sessions Salon, Dick @ The Village, Jake & Kelly @ South Shore Fitted, Reese, my Audio Engineer Bill, and most of all the person I can count to help me with anything: the gal greeting you at the door of all my events, Natalie. Anyone else that I forgot and you feel you should have been mentioned - THANK YOU! .... For anyone and everyone that has ever

bought a Concert Ticket for one of my Events, THANK YOU for supporting Live Music. ...and for anyone that ever hit me up for free concert tickets and didn't deserve them (you know who you are).....kick rocks.

I hope to continue writing this article every month from the Girls Gone Wild Tour Bus and one event you can count on coming up is my 3rd Annual, Blizzard - Pray for Snow Party set for November

28th with the exclusive premier of Re-Session by Teton Gravity Research and your chance to win a Sierra @ Tahoe Season Pass plus \$1000's in prizes from local merchants. You will be hearing more details about that next month!

# 'The Buzz' - Harrah's - Harveys

by John Packer

The Lake Tahoe Summer Concert Series at Harveys Outdoor Arena was a success for the South Shore, helping to bolster the summer tourist season with nine great concerts over 10 weeks. Now, it's time to keep the entertainment vibe going indoors at Harrah's South Shore Room.

We're continuing the famed showroom's 50th Anniversary celebration this fall with a stellar line-up a blues, rock and popular music classics.

Awesome blues stars **The Tommy Castro Band, Janiva Magness, John Németh** and **Kenny Neal** hold forth as the **Legendary Rhythm & Blues Revue** returns to Harrah's on Oct. 3. Rockin' bluesman **Kenny Wayne Shepherd** tears it up with his high-energy show, Oct. 10. Speaking of energy, **Alice Cooper**, the godfather and master of "shock rock," brings his **"Theatre of Death 2009"** extravaganza to the SSR on Friday night, Oct. 16 for a special 9 p.m. show. This show is for Alice-ites age 21 and over.

From the outrageous to the sublime, **Frank Sinatra, Jr.** is onstage Oct. 24 with his elegant **"Sinatra Sings Sinatra"** concert.

On the eve of All Saints' Day, the bacchanalia that is Halloween falls, of course, on Saturday, October 31st. But Harrah's and Harveys are celebrating for two nights, Oct. 30 and 31! **Cabo Wabo Cantina** at Harveys kicks-off the weekend Friday night with a Halloween Pre Party featuring great drink specials and local favorites, **The Alternates**, on the intimate Cabo Wabo stage. Saturday, the **"Thrilling Nights & Frights"** continues at **VEX Nightclub** featuring scary drink specials and a costume contest with \$10,000 in prizes! Admission is only \$20 for men and \$10 for women. Must be 21. Tickets are available at [www.SouthShoreRoom.com](http://www.SouthShoreRoom.com) or at the door.

**Queensryche**, "the thinking person's metal band," bring their "American Soldier Tour" to the South Shore Room on Nov. 7. Special guest **Lita Ford**, joins the band as they feature three suites of music, including *Rage For Order*, *American Soldier* and *Empire*. Must at least 21 for this show.

Multiple Grammy Award winner and local's favorite **José Feliciano** returns to the legendary showroom on Nov. 14 for an evening of exceptional music with

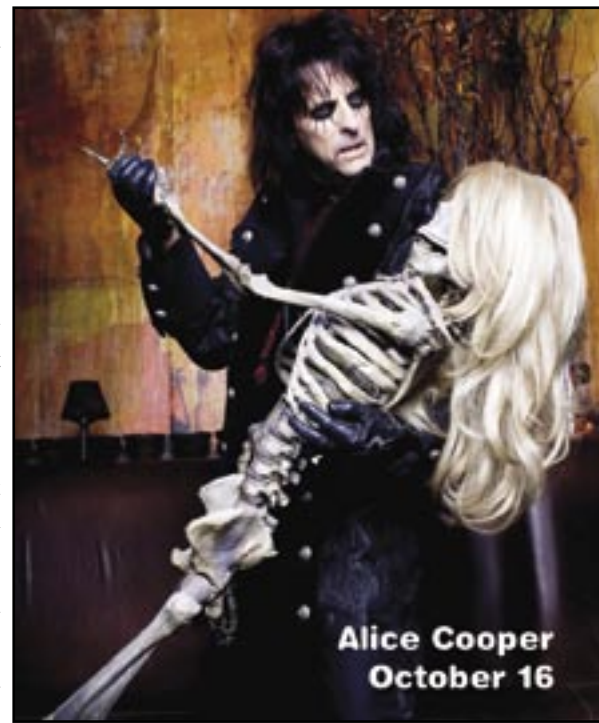

one of the world's greatest guitarists. On Nov. 21, neo-swing masters **Big Bad Voodoo Daddy** follow José, bringing their infectious big-band bop to legions of loyal Tahoe fans.

Here's one for all you locals who hung-out at Harrah's Stateline Cabaret back in the '70s and early '80s: the incredible **Mission Mountain Wood Band** returns to Lake Tahoe on Friday, Nov. 27, this time for a rockin' mountain stomp in the South Shore Room! Mark your calendars for the night after Thanksgiving.

On Nov. 6, **The Improv at Harveys** celebrates eight years at its home inside Harveys Cabaret. The Improv is still going strong, presenting some of the hottest upcoming and well-known comics in the business.
